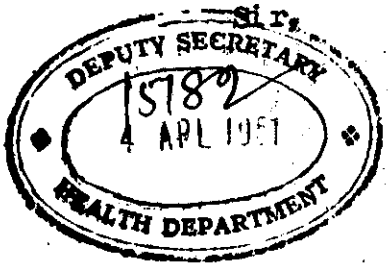
No. 3290 B/50-24 dated 30th March, 1950.

Sir,



Sub:- Budget 1950-51. Grant for the Mangalore water Supply scheme.
Ref:- Health Department Memo.No. 11696 W2/51-1 dated 20th March 1951.

-o-

The grant of Rs. 50000 recommended for sanction for the Mangalore Water Supply scheme in this office letter No. 3290 B/50-1 dated 10-1-51 was based on the anticipated expenditure of the scheme at the time of submission of budget estimates for 1951-52. According to his anticipated expenditure, the grant required for the scheme was worked out as shown below:-

	Rs.
Expenditure to end of 1949-50	1,718
Anticipated expenditure for 1950-51	1,15,000
	1,16,718
Government share of expenditure(half)	58,359

Again this amount, a grant of Rs. 50,000 only was recommended for sanction as a first instalment, pending report in connection with the final modification proposals;

2. In the final modification proposals subsequently received, the anticipated expenditure during 1950-51 was reported to be only Rs. 47,700. According to this figure, the grant required for the scheme for 1950-51 will be Rs. 24709 as shown below:-

	Rs.
Expenditure to end of 1949-50.	1,718
Anticipated expenditure in 1950-51	47,700
	49,418
Government share of expenditure(half)	24,709

Taking into account the grant of Rs. 300 sanctioned in 1949-50, the grant to be sanctioned for 1950-51 was reported by the Sanitary Engineer as Rs. 24,400. Based on this report Government have issued orders for the refund of Rs.25600 being the excess grant sanctioned.

3. It will be seen from the details furnished above TO

that the amount of Rs. 24,400 which has actually been sanctioned to the Municipality does not include Rs. 300, referred to in the Govt., Memo. This amount is therefore due to the Municipality according to the anticipated expenditure of Rs. 49418 to end of 1950-51.
